SYNTHETEC®

善必德®

FIBRPRO® is rooted in Hong Kong and we started the R & D journey of creating the multi-functional SYNTHETEC® Stone in 2010 in collaboration with relevant Government Departments, Property Developers, Architects, Engineers and Distinguished Customers.

Our SYNTHETEC® Stone Grating and Tree Pit have been certified jointly by Development Bureau and Construction Industry Council of HKSAR as an Advanced Construction Technology / Material under The Construction Innovation and Technology Fund (CITF).
